Dear Human Resource Manager,

Ref: Application for Mpesa Africa Internship Program - 2023 / 2024 (Job Number: 23000205)

I am a recent software engineering graduate at Moringa School. I recently saw an advertisement through social network sites that you are recruiting the Mpesa Africa intern and I am interested in applying for the technological position since I want to nurture and grow my skills throughout the internship program.

I am a creative and innovative individual who likes learning and nurturing skills every single day and with advanced knowledge in developing applications, project management and submitting deliverables on time. I am confident that I will manage to work efficiently and effectively with the experienced developers in day to day problem solving capabilities which will contribute to the success of the organization.

Please review my attached application for additional details regarding my expertise and achievements. Do not hesitate to reach out if you have any questions or need further clarification on my experience. I would love to meet with you and discuss this position in detail.

Thank you for your consideration.

Yours sincerely,

Gideon Langat
